- We train and educate community, social service and medical providers on HIV Confidentiality laws.

**Government Benefits**

**Eviction Prevention/Housing Law**

- Litigate issues of hazardous conditions that impact the health of PLWHAs.

**Guardianship, Advanced Directives & Family Law**

This project is funded by New York State Department of Health, AIDS Institute and the Ryan White Care Act, Title 1.

Legal Services of the Hudson Valley is comprised of a group of experienced and dedicated staff attorneys and volunteer lawyers who are passionate advocates for our credo—Protecting Rights, Promoting Justice.

Experience and passion for this mission is why Legal Services of the Hudson Valley has been able to provide free legal assistance to nearly 300,000 clients since it was founded in 1967. With offices in White Plains, Yonkers, Mount Vernon, Peekskill, Newburgh, Kingston, Spring Valley, and Poughkeepsie, the 120-member staff plus our volunteer attorneys serve approximately 13,000 clients each year.

HIV/AIDS Project
Legal Services of the Hudson Valley fights to protect low-income and newly unemployed people living with HIV/AIDS (PLWHAs) and their families from discrimination, loss of their homes, and domestic violence, and also seeks to provide assistance with accessing medical and other public benefits and with debtor-creditor matters. We provide services throughout Westchester, Putnam, Rockland, Dutchess, Orange, Sullivan and Ulster Counties.

LSHV’s services are funded, in part, by the U.S. Department of Health and Human Services, the New York State Office for the Aging, and Department of Health, The Westchester County Department of Senior Programs and Services, and the Westchester County Office for Women.
