LEGAL SERVICES OF THE HUDSON VALLEY (LSHV)

309 E. Broadway, Ste. 1 • Monticello NY 12701 • (845) 569-9110

OUR MISSION is to provide **FREE**, high quality counsel in civil matters for those who cannot afford an attorney where basic human needs are at stake.

The work we do each day provides justice to thousands of our neighbors who have nowhere else to turn, including protecting individuals from domestic violence; defending seniors against abuse; serving veterans on the homefront; supporting the rights of the disabled; ensuring that LGBTQ individuals are free from discrimination; and keeping families in their homes.

COVID-19 has highlighted the disparity between people throughout the State. The inequities faced by poverty influence a wide range of health and quality of life outcomes and increases the need for our services throughout the county.

Sullivan County

LSHV is making a major effort to expand, enhance and build awareness of the high-quality, comprehensive, free civil legal services we are providing in Sullivan County. Previously, the Newburgh Office was responsible for serving residents of Sullivan, which was a major challenge as the Newburgh office is an hour drive from the southernmost tip of Sullivan County. Public transport in Sullivan and most parts of Orange are virtually nonexistent, which makes accessing our services difficult for most of our clients, as many do not have cars.

To help address this problem, we opened a satellite office in Monticello in 2017 and an office in Goshen in 2019, in order to better serve residents of Sullivan County. We believe this greatly improves our accessibility to Sullivan County residents and helps us expand services to this area, which has a very high percentage of people living in poverty who need to be able to access free civil legal services.
