LSHV's Ulster County office has grown over the past several years; our staff currently consists of seven attorneys and five support staff. We continue to strive to provide the highest quality **free** civil legal services to the residents of Ulster County.

The Kingston office is extremely busy with housing and domestic violence cases, as well as government benefits and social security cases. We continue to focus some of our resources on veterans, LGBTQ+, and other vulnerable populations. LSHV is funded through various sources, including local, state, and federal government contracts, private foundations and corporations, and individuals who believe everyone should have an attorney by their side when faced with legal proceedings.

LSHV works to ensure fairness in the justice system for those who can't afford an attorney when maintaining the basic necessities of life, such as food, shelter, and safety, are at risk.
